

AFB A&E MEDIA TECH® NEW BUSINESS APPLICATION

ARCHITECTS AND ENGINEERS PROFESSIONAL LIABILITY, ARCHITECTS, ENGINEERS AND CONTRACTORS POLLUTION LIABILITY, TECHNOLOGY BASED SERVICES, TECHNOLOGY PRODUCTS, COMPUTER NETWORK SECURITY, AND MULTIMEDIA AND ADVERTISING AND PRIVACY LIABILITY INSURANCE POLICY

Important Note: THIS IS AN APPLICATION FOR A CLAIMS MADE AND REPORTED POLICY. Subject to its terms, the Policy applies only to a Claim first made against the Insureds during the Policy Period or the Optional Extension Period (if purchased) and reported in writing to the Insurer during or within 60 days after expiration of the Policy Period or during the Optional Extension Period (if purchased). Claim Expenses will reduce and may exhaust the Limit of Liability available to pay Claims and are applied to the deductible. The Insurer will not pay settlements or judgments after the Limit of Liability is exhausted by payment of Damages or Claim Expenses.

Additional Notice To New York Applicants: The Policy for which this Application is made is a claims made policy. The Policy provides no coverage for Claims arising out of incidents, occurrences or wrongful acts which took place prior to the Retroactive Date. Upon termination of coverage for any reason, a 60-day automatic extension period will apply. For an additional premium, a three year Optional Extension Period can be purchased. This Policy applies to Claims only if first made during the Policy Period, the automatic extension period or, if purchased, the Optional Extension Period. No coverage exists for Claims made after termination of coverage and the automatic extension period unless, and to the extent, the Optional Extension Period applies. No coverage will exist after the expiration of the automatic extension period or, if purchased, the Optional Extension Period, which may result in a potential coverage gap if prior acts coverage is not subsequently provided by another insurer. During the first several years of a claims-made relationship, claims-made rates are comparatively lower than occurrence rates, and the Insured can expect substantial annual premium increases, independent of overall rate increases, until the claims-made relationship reaches maturity.

Additional Notice to Minnesota Applicants: Under Minnesota law a Claim may be reported orally or in writing to the Insurer or to the Insured’s Broker of Record.

Please fully answer all questions and submit all requested information. Terms appearing in bold face in this **Application** are defined in the Policy and have the same meaning in this **Application** as in the Policy. If you do not have a copy of the Policy, please request it from your agent or broker.
